

Section I: Education/Awareness & Training Impact

Training Impact

- CBO Digital Literacy**
- Cloud Base Storage
 - Office 365
 - Electronic Data Matching
 - Electronic Health Records
 - HIPAA Non-Clinical Settings
 - Electronic Documentation

Our training and education/awareness will provide us the ability to develop new job opportunities and hire students from local technical colleges, seniors, workforce development programs in addition to training target population to be trainers.

New Employment Opportunities created in local communities:
